ENGLISH IN ACTION AT APPELHOF

The timetable provides the perfect balance between learning and enjoying the fantastic facilities. Students enjoy fun, communicative classes in the morning and then after lunch the focus is on team building games and British sports.

With lots of free time built in, students have plenty of opportunities to explore before dinner. Everyone then comes together to for a drama session and to plan for the end of course show.

Should you have other ideas, we are flexible and can tailor the programme to suit your needs.
